

### Twice, Established by God

And for that the dream was doubled unto Pharaoh twice; [it is] because the thing [is] established by God, **and God will shortly bring it to pass.** {Gen 41:32}

Joseph explained (Gen 41) that the doubling of Pharaoh’s dream of seven years of plenty and seven years of famine was confirmation that God would “shortly bring it to pass.” The corresponding duplication unfolded in our latest extended time spans, that featured “Thanksgiving,” led us to determine 137 days to the intersecting total eclipse 4/8/2024. The English ordinal value of the first words of the bible, “In the beginning,” is “137.”

~ “38” = “he shewed openly,” “His glory” ~

And Pharaoh said unto Joseph, I have dreamed a dream, and [there is] none that can interpret it: and I have heard say of thee, [that] thou canst understand a dream to interpret it. And Joseph answered Pharaoh, saying, [It is] not in me: God shall give Pharaoh **an answer of peace.** {Gen 41:15-16}

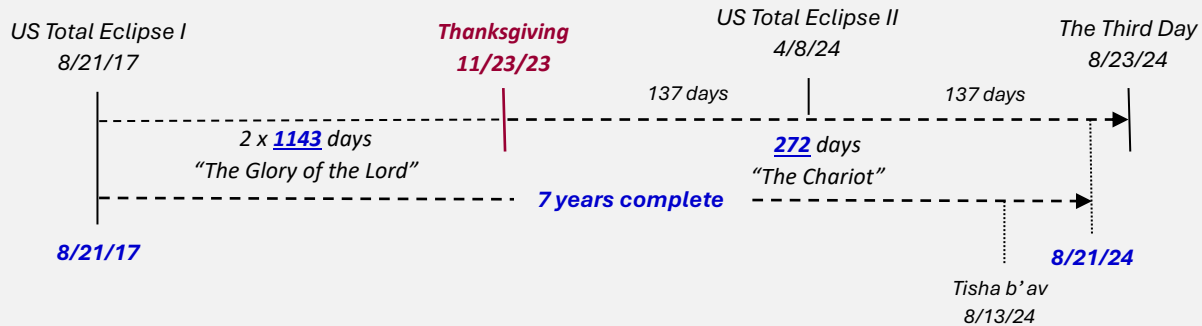

The word “peace” is translated from the Hebrew word “salom.” It just so happens that the 2024 eclipse passed through a sum of seven cities named “Salem:” 2 in its total path of 70 miles wide and 5 in its partial path. The implication here is that understanding from God provides “peace.”

The word “Thanksgiving” shares the same gematria value of 1637 with Hab 2:3, which teaches that the appointed time would tarry:

For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry {Hab 2:3}

The bible links the word “tarry” to “seven days” (Lev 14:8, 1 Sam 10:8, 13:8, Acts 21:4, 28:14), just as America’s two intersecting total eclipses are four months short of being seven years apart.

In following the double-span lessons of recent watches referenced above, when we add a second consecutive [137 days](#) to the April 8, 2024 - Totality Eclipse, we arrive at August 23, 2024, which happens to be ten days beyond *Tisha b' av* 8/13/24 and two days beyond the full seven year anniversary of the *Great American Total Eclipse* - 8/21/17.

[Tisha b' av](#) (9<sup>th</sup> day of the 5<sup>th</sup> Hebrew month) was the date of burning for the First (587 BC) and Second (70 AD) temples that Christ predicted, which the disciples' connected as a sign for the timing of the end of the world (Mark 13:4).

And Jesus went out, and departed from the temple: and his disciples came to [him] for to shew him the buildings of the temple. And Jesus said unto them, See ye not all these things? verily I say unto you, **There shall not be left here one stone upon another, that shall not be thrown down.** And as he sat upon the mount of Olives, the disciples came unto him privately, saying, **Tell us, when shall these things be? and what [shall be] the sign of thy coming, and of the end of the world?** {Mat 24:1-3}

If we were to understand *Tisha b' av* 8/13/24 as Hezekiah's sign of 10 degrees backward, the extra two days beyond the 7<sup>th</sup> eclipse anniversary 8/21/24 - 8/23/24 would answer Hezekiah's quest to know when to go up to the house of the Lord *on the third day* ([2 Kgs 20:8-10](#)).

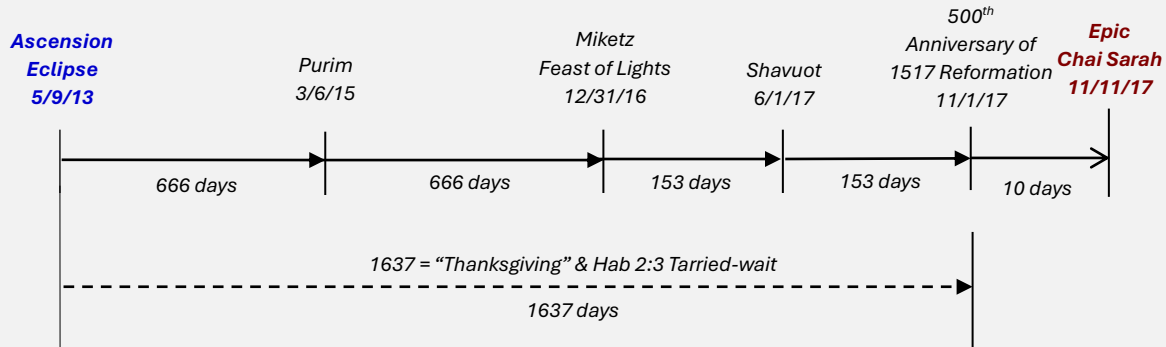

Just as we saw the April 8<sup>th</sup> eclipse date referenced as belief of the "later sign" in Exodus "4:8," the expected division of God's people for August 23, 2024 is also indexed in Exodus "8:23."

*And I will put a division between my people and thy people: to morrow shall this sign be.* {Exo 8:23}

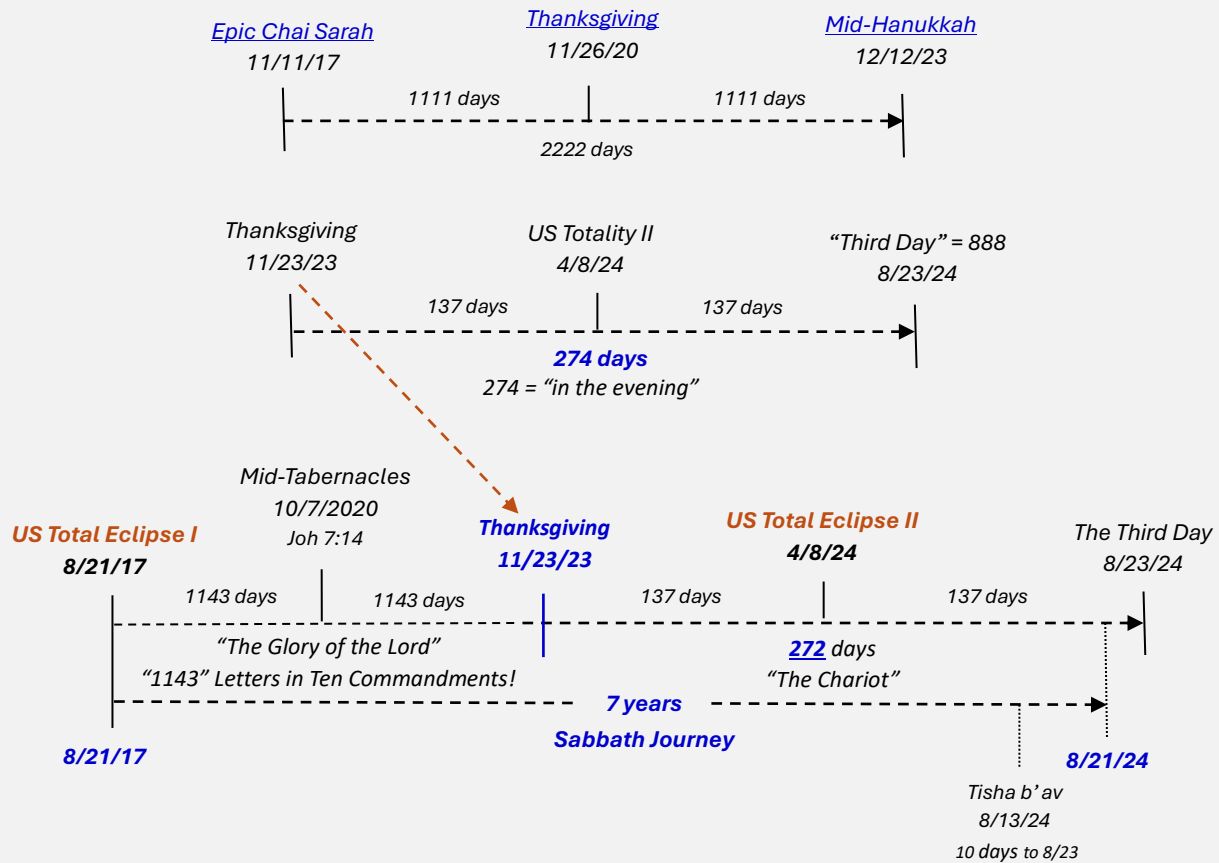

Just before God rained fire and brimstone on Sodom and Gomora, the Lord reiterates His return at the "appointed time" in Genesis 18:14, which holds a numeric value of 2024.

*Is any thing too hard for the LORD? **At the time appointed I will return unto thee, according to the time of life,** and Sarah shall have a son {Gen 18:14} = **2024.***

Beyond the pivotal *Ascension Day Eclipse 5/9/13*, this doubling of time spans was unveiled a decade ago in the lead up to epic year *Chai Sarah 11/11/17*.

The 5/9/13 *Ascension Day Eclipse* was uncovered as the second-year annular solar eclipse after the May 21, 2011 - guaranteed spiritual judgment day, exactly 7,000 years from Noah's Flood of 4990 BC. Just as God remembered Noah with the sign of the rainbow, God affirmed His promise by revealing a rainbow eclipse on *Ascension Thursday 5/9/13* to signal His "return in like manner," a sabbath journey away ([Acts 1:11-12](#)).

Below is an excerpt from a 2018 watch, which confirms God's guidance along the way....

### **“Seven Years Determined”**

The last day of Shavuot at May 21, 2018, exactly, seven years to the day from the global guarantee of judgment 2011, will be a resounding referendum on the disbelievers who mocked God’s warning on the world. Two years later, many of these same mockers may have become a bit nervous at the arrival of comet *ISON 666* from the *Black Death Comet Negra 11/28/13*. This date also happened to fall on the merging of *Thanksgivukkah*, which could not recur for another *77,000 years*.

Spiritually, 2013 can be considered a “*foundation year*” because it began the year of the *Sabbath Journey* count at the Ascension Eclipse 5/9/13. Therefore, we should consider the count from Haggai’s date reference *24<sup>th</sup> day of the 9<sup>th</sup> month* in 2013 to know the time to be blessed when the heavens will shake.

➤ From the 24<sup>th</sup> of Kislev 11/27/13 to last day of Shavuot 5/21/18 are [1637 days](#)

1637 is the 259<sup>th</sup> prime number and factors 7 x 37

[1637](#) = “Thanksgiving” & Habakkuk 2:3

*For the vision is yet for an appointed time, but at the end it shall speak, and not lie: **though it tarry, wait for it**; because it will surely come, **it will not tarry**.*

From the Ascension Solar Eclipse 5/9/13 to the 500<sup>th</sup> Reformation Day Anniversary 11/1/17 is also 1637 days.

As ominous as it is, the tarry declaration of Habakkuk 2:3 is directed at the brethren and disciples to hold fast to the promise. The faithless could care less because God’s word is not written in their hearts. The timing now culminates that the “*tarry*” turns out to be a literal period of “*seven years*,” spiritually paralleled as “*seven days*” to Pentecost.

- ❖ *But I will **tarry** at Ephesus **until Pentecost**. {1 Cor 16:8}*
- ❖ *And he **tarried seven days**, according to the set time that Samuel [had appointed] ... {1 Sam 13:8}*
- ❖ *...**seven days shalt thou tarry**, till I come to thee, and shew thee what thou shalt do. {1 Sam 10:8}*
- ❖ *...and shall **tarry abroad out of his tent seven days**. {Lev 14:8}*
- ❖ *Where we found brethren, and were desired to **tarry with them seven days**... {Act 28:14}*

❖ And finding disciples, we **tarried there seven days...** {Act 21:4}

**H1637** is the Strong index for the word “*Threshing-floor*” that King David purchased for 50 *shekels (mene) of silver* where Solomon literally laid the foundation of the Temple, which took him **seven years** to complete.

➤ From the 24<sup>th</sup> of Kislev 12/9/967 BC to last day of Shavuot 5/21/18 are 1,089,691 days

$$1,089,691 = 4,021 \times 271 \text{ “The day from night” (10<sup>th</sup> Hexagon #)}$$

$$\text{Sum of all divisors for } 4,021 = 4,022 = 2 \times 2011$$

Besides 967 BC and 2013; 1988 as the year of judgment on the church, 1994 as the jubilee year warning to the world and 2011 as the judgment on the world can all be spiritually applied as foundation years to be considered for the riddle posed by Haggai:

➤ From the 24<sup>th</sup> of Kislev 12/3/1988 to last day of Shavuot 5/21/18 are [10,761 days](#)

$$10,761 = 3 \times 17 \times 211 \text{ “The Word,” “The Seer” “Appear”}$$

➤ From the 24<sup>th</sup> of Kislev 11/27/1994 to last day of Shavuot 5/21/18 are [8,576 days](#)

$$8,576 = 8 \times 1072 \text{ “Adjure,” } 1,072 \text{ is also the reflective of } 2701$$

➤ From the 24<sup>th</sup> of Kislev 12/20/2011 to last day of Shavuot 5/21/18 are [2,344 days](#)

$$2,344 = 4 \times 586 \text{ “Jerusalem,” “Trumpet,” “To Gather”}$$

.....

Along with the profound course of this seven-year journey leading to the 7<sup>th</sup> anniversary of the guaranteed judgement day on Pentecost 5/21/18, the biblical count of seven cycles of seven years as a year of release is among several examples that underscores God’s plan of redemption pointing to seven years.

*And thou shalt number seven sabbaths of years unto thee, seven times seven years; and the space of the seven sabbaths of years shall be unto thee forty and nine years. Then shalt thou cause the trumpet of the jubile to sound on the tenth [day] of the seventh month, in the day of atonement shall ye make the trumpet sound throughout all your land. And ye shall hallow the fiftieth year, and proclaim liberty throughout [all] the land unto all the inhabitants thereof: it shall be a jubile unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family {Lev 25:8-13}*

The battle of Jericho is another dramatic picture of the number seven punctuated at the end. Here, the Israelites led by seven priests encircle the walls of Jericho once a day for seven days followed by the Ark of the Covenant. On the seventh day, they marched around the walls seven times and the seven priests blow their horns with a great shout, and the walls of the city suddenly tumble down.

*And **seven priests** bearing **seven trumpets** of rams' horns before the ark of the LORD went on continually, and blew with the trumpets: and the armed men went before them; **but the reward came after the ark of the LORD, [the priests] going on, and blowing with the trumpets.** And the second day they compassed the city once, and returned into the camp: so they did six days. And it came to pass **on the seventh day**, that they rose early about the dawning of the day, and compassed the city after the same manner **seven times**: only on that day they compassed the city **seven times**. And it came to pass at the **seventh time**, **when the priests blew with the trumpets, Joshua said unto the people, Shout; for the LORD hath given you the city.** {Josh 6:13-16}*

Then there was Jacob, who out of love for Rachel served her father Laban **seven years** to earn her as his bride. When the marriage turned out to be with the firstborn sister Leah, Jacob was willing to bargain **another seven years** to have Rachel as his wife ([Gen 29:18-28](#)).

A generation later, Jacob's favored son Joseph was rewarded for interpreting Pharaoh's dream of seven kine and ears as the final seven years:

*Behold, there come **seven years of great plenty** throughout all the land of Egypt: And there shall arise after them **seven years of famine**; and all the plenty shall be forgotten in the land of Egypt; and the famine shall consume the land; And the plenty shall not be known in the land by reason of that famine following; for it [shall be] very grievous. {Gen 41:29-31}*

Then the sons of Israel did what was evil in the sight of the LORD; and the LORD gave them into the hands of Midian **seven years**. {Judges 12:9}

Did God not create the heaven and the earth in **seven days**? Recorded seven chapters later, He consumed the earth with a flood in **yet seven days** ([Gen 7:4](#)).

~ End of Excerpt ~

As we can now see, God was foreshadowing a concluding seven years to the very eve of His return. With the number 2017 being an anagram 2701, the value of Genesis 1:1, the *Great American Eclipse 8/21/17* was targeted as the start of the seven-year countdown to the end of the world for 2024.

God's 7-day warning to Noah was extended 7,000 years to guarantee of spiritual judgement on May 21, 2011 - 17<sup>th</sup> day of the 2<sup>nd</sup> month ([Gen 7:11](#)).

- From spiritual judgement Day 5/21/11 to Last Day 8/23/24 are [4,844 days](#)

692 "By Your light we see light" (Ps.36:9)

692 "And we shall be changed"

A year after the Flood as he entered dryland, Noah was given the sign of a rainbow as confirmation of God's promise, which was reiterated to Abraham embodied in the promised birth of Isaac at the same set time one year ahead.

Just like Noah, on year after the guaranteed judgment of 2011, God delivered a sign of rainbow annular eclipse on May 20, 2012. At the same set time, in the next year, God signaled another annular eclipse on *Ascension Thursday* 5/9/13. At the Ascension, the disciples we told the Christ would return in like manner, a sabbath journey away.

This 5/9/13 pivotal date was held as a guide and pillar, as God was methodically taught patience and understanding with progressing time spans leading to the present time.
